

Work Placement with Children or Vulnerable Adults

RE: Garda Vetting for Transition Year Students

Dear Parent/Guardian

Please read the outline below in relation to **Garda Vetting for students (DOB 22/03/08 or earlier) wishing to go on work placement with children (e.g.: crèche or primary/secondary school) or with vulnerable adults (e.g.: daycare centre, community workshop, nursing home, hospital or meals on wheels etc).**

Section 12 of the Vetting Act 2016 places a statutory obligation on school authorities to obtain a vetting disclosure from the Bureau prior to the employment, contract, permission or placement of a person to undertake **relevant work** or activities with children or vulnerable persons.

(See below extract from DES Circular 0031/2016).

*“Relevant work or activities” in the context of a school or centre for education means any work or activity carried out by a person where a necessary and regular part of that work or activity **consists mainly of the person having access to, or contact with, children or vulnerable persons.** However, it does not include work or activity in relation to vulnerable persons in a centre for education where that work or activity is merely incidental to work or activities undertaken in relation to persons who are not vulnerable persons.*

The Vetting Process will now commence:

Vetting will be carried out at the end of March 2024.

Students who are 16 on or before the 22/03/2024 (and who wish to engage in work experience as described above) **must fill in the NVB1 form and parents fill in the NVB3 form.**

Email address should be that of the parent/guardian.

Both forms are on the school website in the Student Area. You can download them and email completed form to me deirdremarren@staidans.ie or print off/complete by hand and send in with your child. **Final date for this is Friday 22/03/2024. NVB1 and NVB3 are available on the school website here <https://www.staidans.ie/ty-work-experience.html>**

Note 1: Garda Vetting is not conducted for students under the age of 16.

Note 2: When a person from 16 – 18 yrs. is filling out their NVB1 form, the

Email address should be that of the parent/guardian.

Note 3: Be very clear re. Role e.g., teaching assistant in primary school/assistant in crèche/childcare worker/worker in special school etc

1. Year head enters all data from forms onto e-vetting online system.
2. **IMPORTANT:** The National Vetting Bureau will prepare an 'invitation' and **email the student's parent/guardian with a link to complete the eVetting application process.** Please keep an eye on spam/junk folders in PARENT email in case it ends up here! **Note:** Parents are asked to complete this vetting application **promptly**. If the online application is not completed correctly and promptly, it will be cancelled and returned to the applicant stating reason for the return.
3. The National Vetting Bureau will process the application and will **issue a vetting disclosure to ACCS. This will be forwarded to the TY Coordinator who will then pass it to the student, and the student takes it to his/her employer on first morning of placement.**
