All students must have a school Fleece Jacket; it is warm, waterproof, bears the School Crest, is available from all the uniform suppliers and is the ***only jacket*** that may be worn with the school uniform **to and from school and for all school outings**. No student should leave home with any jacket/top other than the school jacket.

You will note from the above that we have stipulated ***flat shoes***. We request your support in this matter for Health & Safety reasons.

The P.E. uniform (polo shirt/fleece top/tracksuit bottoms) is ***compulsory for all students***.

We strongly recommend that ***identity tags*** be secured on school uniform and other items of school resources. Facial jewellery/outlandish hairstyles/excessive makeup is **not** acceptable in St Aidan's.
